Foreword

Our aim through the past year has been to put out a book representing all the activities and individuals of Washington High School.

With this in mind, the Board has worked diligently for many months, and we, the editors, would like to take this opportunity to publicly thank the rest of the board and our able advisor, Mrs. Layton.

Since the theme of this annual is Music, we hope you will get as much enjoyment leafing through its pages as you would listening to a beautiful ballad.

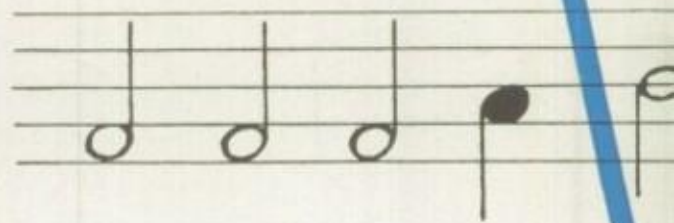

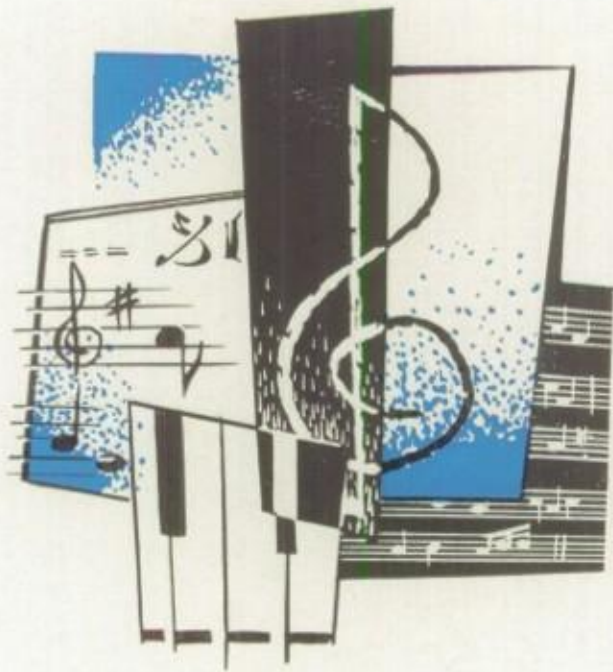

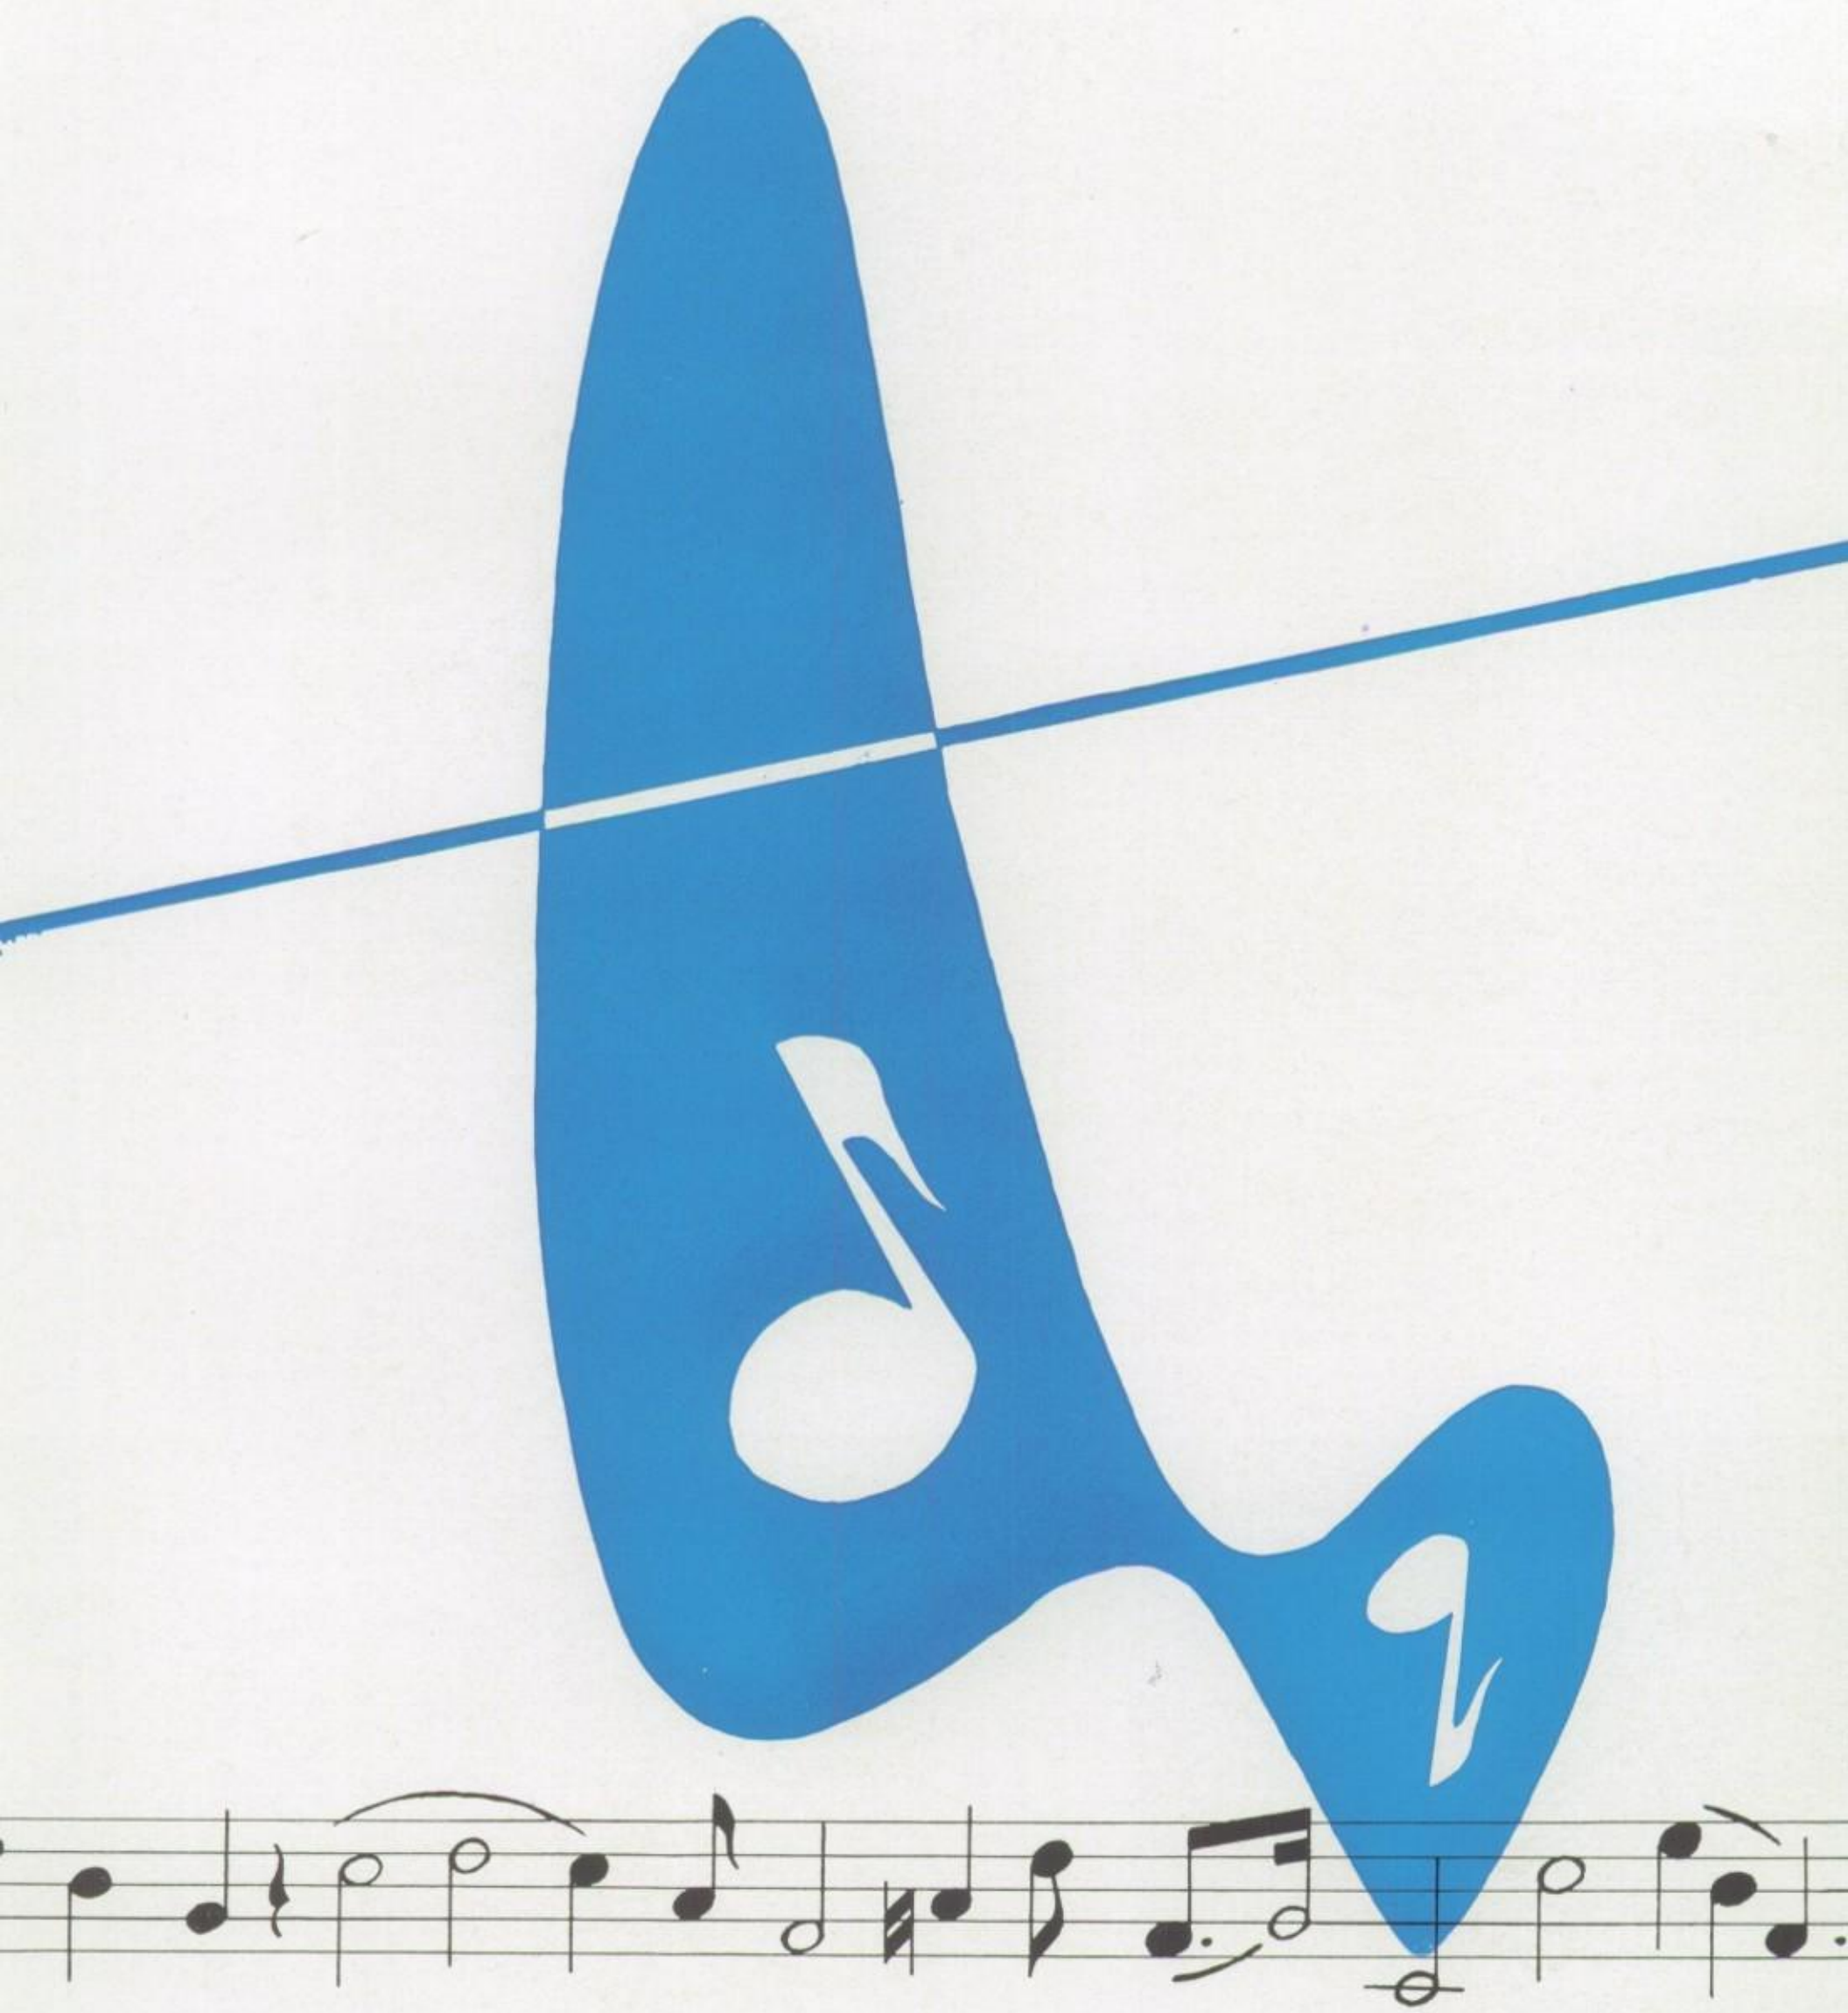

Dedication

In the eight years of his notable service in Washington High School this person has done many things which give us ample reason for dedicating this annual to him.

His office is filled every day by students seeking aid or favors of some sort, and he always responds favorably. During our stay in Washington High, he has acted not only as an advisor but as a friend and sharer of our good times.

We are sure that all the present students and graduates alike join the annual staff in saying "thanks" to our new Principal — I. W. Snyder.

SENIOR CLASS ACTIVITIES

The 1951 - 1952 Senior Class began their senior year with a Scramble Dance in the fall. They sponsored several buses to football and basketball games throughout the year. Getting away from the traditional black, the Seniors this year chose blue gowns with white tassels. This spring they are planning a hayride, senior picnic, and, of course, the Junior-Senior Prom.

Advisors: Miss Smith and Mr. Ackley.

ANNUAL STAFF ACTIVITIES

Besides working very diligently to produce the 1952 *Massillonian*, the annual staff, believing that all work and no play is very hard on our constitutions, took time out to go to Pittsburgh for the yearbook clinic. Here we not only learned how a yearbook is supposed to be put together, but we also had a good time sightseeing and shopping. This was followed by a picnic that evening at Harold Germers'. Laying aside all prejudice the Annual Board and Student Council combined for a banquet at Smithville, March 13. All in all we had a very enjoyable and profitable year.

Thespians

Those students who become Thespians have indeed done a great deal of work in dramatics. The plays of the past year are evidence of the outstanding achievement of the Thespians. They always put forth much hard work and enjoy their results.

The National Thespians Formal Initiation was held early in May. Thespian awards were made at the Dramatic Club's Banquet held in May. The banquet is the highlight of the year's activities. Awards are made not only to Thespians, but awards are also given to Struts and Frets members chosen for outstanding acting and crew work.

Messiah

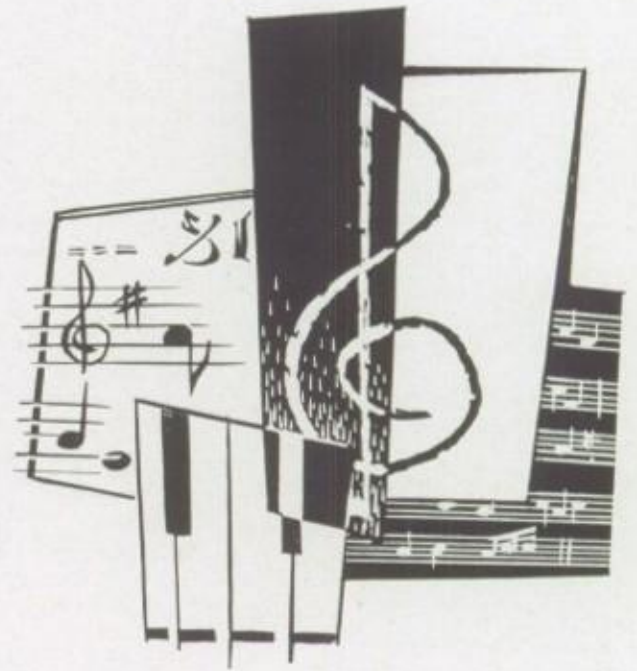

1951-52 A CAPELLA CHOIR

This year's choir has been one of the most active in the history of the school. Our first concert, under our new director, R. Byron Griest, was given for Patron's Reception. From then on we sang at the Football Banquet, our own assembly, plus Christmas, Easter, Thanksgiving, and Senior chapels, Mansfield High School, the three junior high schools, a public concert at the First Methodist Church, May Day at the Stadium, and a music Clinic at Fulton High School. We also gave Handel's "Messiah" and Oscar Strauss's "A Waltz Dream". The ensembles and solists entered into a district contest and those winning went to State, while the choir was entered into a choral contest. (State Contest unknown at this printing). We managed to take time out from the vocal work to enjoy a Messiah Banquet, a pot-luck supper the night of dress rehearsal for the operetta, two parties, and a spaghetti dinner after the operetta. All in all, we feel the year was very well spent.

This is the first year that a third choir was organized. It meets the first period in the morning under the direction of Mr. Griest.

Another football season has ended, and Massillon still reigns as football champions of Ohio. In the last seventeen years Massillon has won twelve State Championships. Obie reigned as football king in 1935, 1936, 1937, 1938, 1939, 1940, 1941, 1943, 1948, 1949, 1950 and 1951. This year our Tigers were filmed by R.K.O., and this film was shown all over the country. Tigertown can truly be called the capital of the football world.

TOURNAMENT

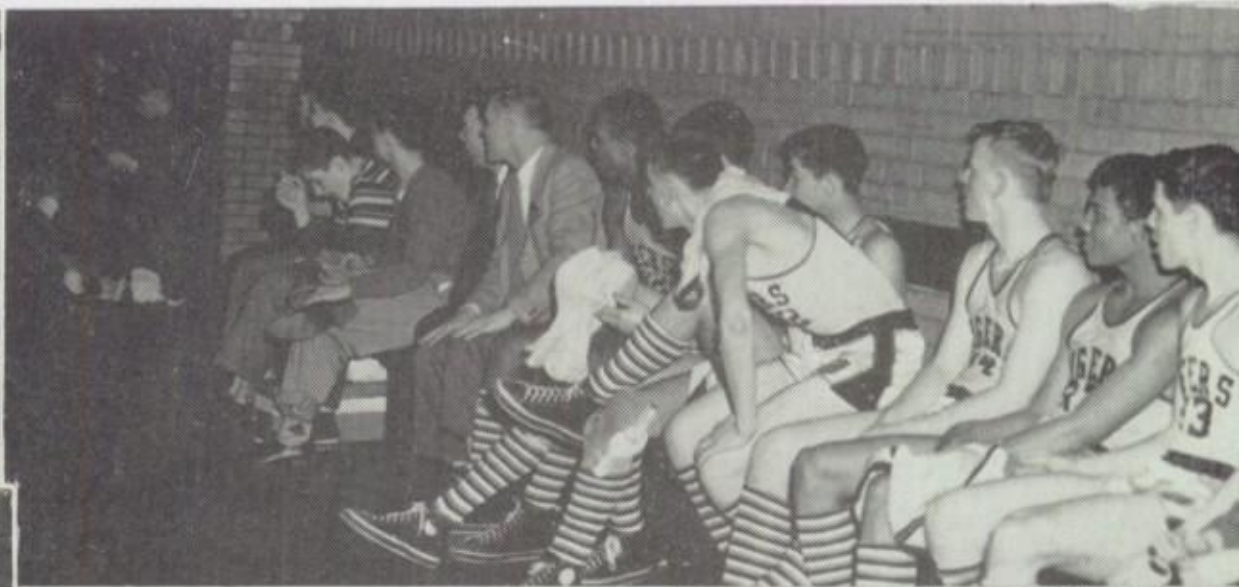

The district tournament was a big upset because the Tiger lads, who were the underdogs, came out to the front with a great victory over Canton Lehman. At the time of this printing the Tigers were to play Akron North in the Canton Field House for the regional crown.

Reserve Basketball

ROW 1 — Jimmy Allison, Ed Barksdale, Roy Lee Johnson, Johnny Traylor, Carl Porter.

ROW 2 — Larry Daniels, Bobby Jo Johnson, Tommy Boone, Tommy Schlegel, Dave Shaffer, Dick Snyder.

MASSILLON WHIPS McKINLEY

The Massillon Tigers showed their skill in basketball as well as they did in football. They rolled over their rivals the McKinley Bulldogs in a tussel which ended 64—53. The Tigers showed a good deal of improvement from their last game with Dayton Wilbur Wright which they also won 49—48 in a hard winning battle. Ace Grooms paced the Tigers in the McKinley game with 19 points.

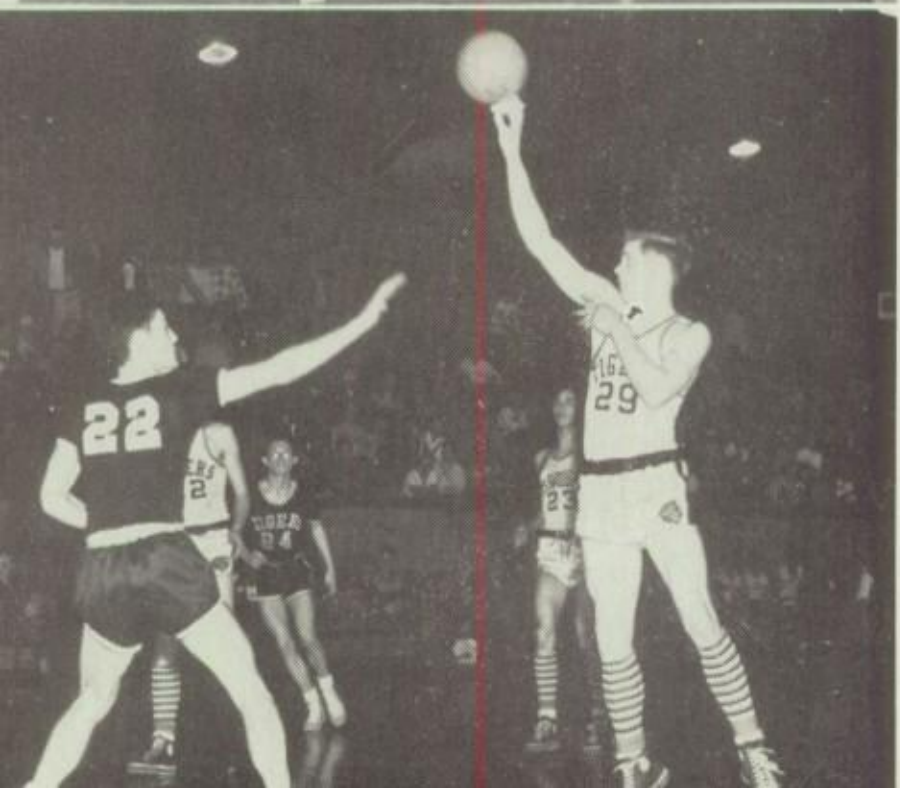

MASSILLON TIPS AKRON ST. VINCENT

The Massillon Tigers played a whale of a ballgame against Akron St. Vincent. The game ended 62—60 after two over-times. At the start of the game no one believed the Tigers could beat the Irish. Thanks to the spectacular shot of Dick (Obie) Snyder, we won the game. Lazaroff paced the Tigers with 27 points.

TIGERS LOST TO STEUBENVILLE

The Tigers put up a brilliant defense against Steubenville, losing by 5 points instead of the 20 previously predicted. The game was rough and rather dirty. The lightening fast Bill Rose took scoring honors for Steubenville with 11 points. Brenner copped honors for the Tigers with 9 points.

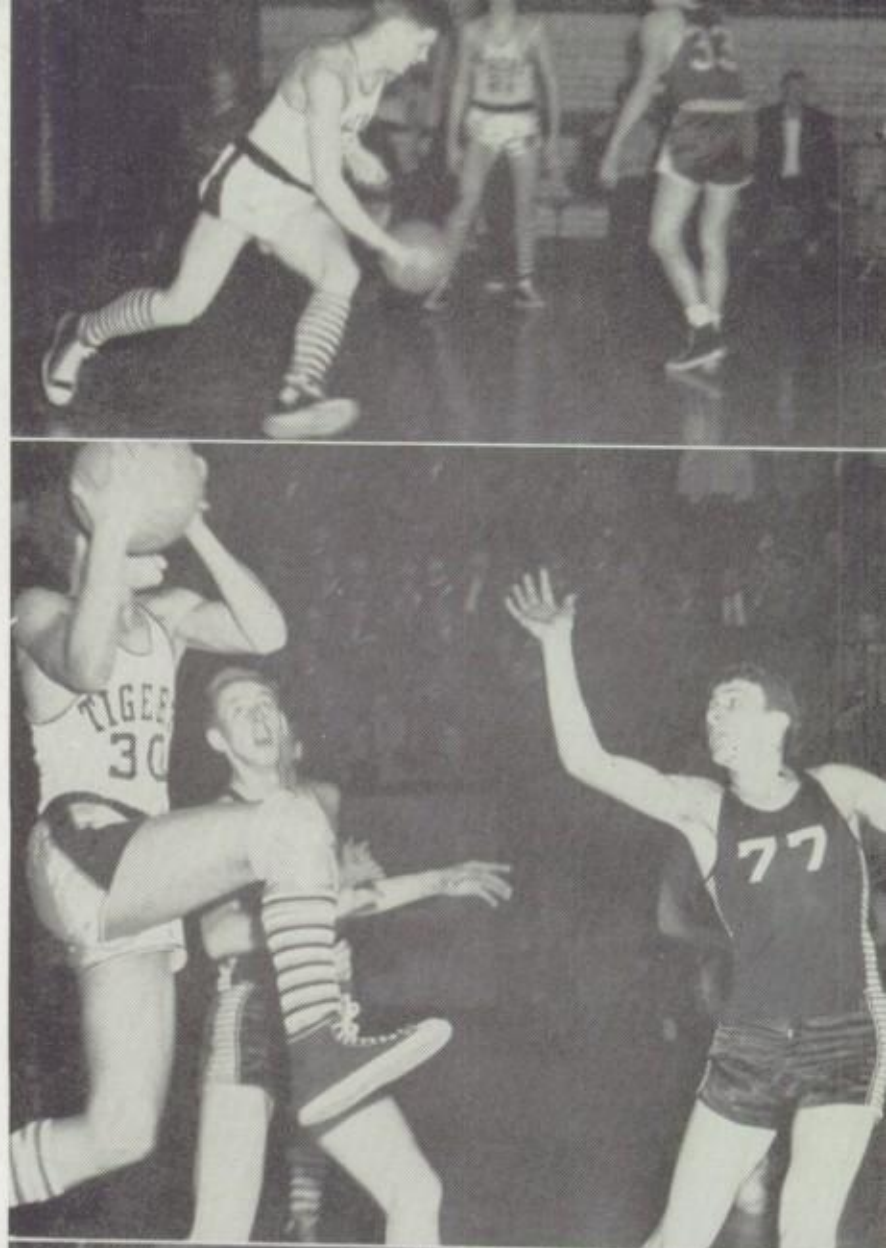

DISTRICT TOURNAMENT

MASSILLON VICTOR OVER LINCOLN

The Tigers drew Canton Lincoln as their first victims in the tournament at the Canton Field House. They did not have too much trouble as they won 55—45. The team and the students had a very high spirit for the game and if kept could go all the way. Boldt was high for Lincoln with 17 points while Grooms was high for Massillon with 23 points.

MASSILLON HANDS CENTRAL A 51-41 BEATING

The Tigers did not show too much accuracy in shooting from the field. Massillon only potted 21 baskets out of 86 tries for a 24/4 per cent average. The Central team meshed 16 out of 78 tries for a 20 per cent average so you can see both teams were a little off. The Tigers must improve if they expect to go very far in the tournament. Grooms meshed 19 points for Massillon while Rotummo of Central was high for his team with 12.

MASSILLON TOPS MINERVA

In the third game which the Tigers played in the tournament they trounced Minerva 52-35 in a big upset. The Tigers were fourth placed but are playing ball like a second place team. By the end of the third quarter the Tigers had the Lions pretty well worn down and Grooms and Khoenle dominated the backboards. The Tiger lads never let up because they were determined on taking the tournament. It was plain to see that Massillon had a gruelling defense. It was also Massillon's luck that the Lions were off in their shooting or the score may have been different. Groom and Lazaroff paced the Tigers with 24 and 17 points respectively. Ralph McCully meshed 17 for the losers.

MASSILLON UPSETS LEHMAN, WINS TOURNAMENT

The Massillon Tigers proved to be a great tournament team by scoring its second upset of the Tourney. It was determined from the start to take home the bacon and they did just that by beating Lehman 50-44. The team held Meola, the Lehman shooting ace, to a total of 9 points in this game and the first time he had not scored in double figures. The 6'2" center Frank Moore got called for his fourth foul in the third quarter and therefore had to watch so that he would not commit his fifth foul and this left the backboards fairly open. Grooms again paced the Tigers with 16 points while Campel of Lehman potted 18. This win gives Massillon the right to advance to the N.E.O. regional tourney.

Baseball

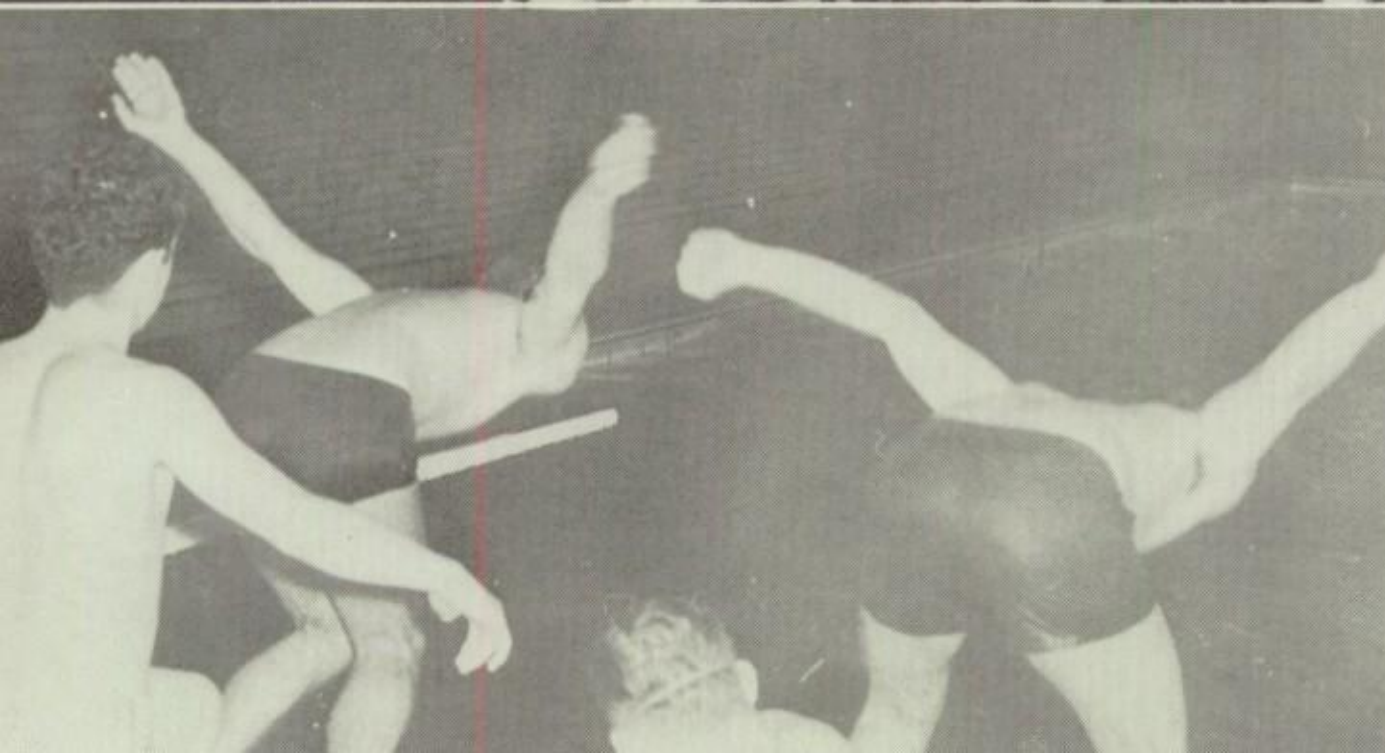

Coach Schroeder had not selected this year's baseball team when the Annual went to press, but the following boys are expected to capture positions on the team.

IF

By RUDYARD KIPLING

If you can keep your head when all about you
Are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you
But make allowance for their doubting too;
If you can wait and not be tired by waiting
Or, being lied about, don't deal in lies
Or, being hated, don't give way to hating
And yet don't look too good nor talk too wise;

If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss
And lose and start again at your beginnings
And never breathe a word about your loss;
If you can force your heart and nerve and sinew
To serve your turn long after they are gone
And so hold on when there is nothing in you
Except the Will which says to them: "Hold on!"

If you can talk with crowds and keep your virtue
Or walk with Kings, nor lose the common touch;
If neither foes nor loving friends can hurt you;
If all men count with you but none too much;
If you can fill the unforgiving minute
With sixty second's worth of distance run—
Yours is the Earth and everything that's in it,
And — what is more — you'll be a Man, my son!

People like these own Republic...

Republic Steel is owned by 60,000 people . . . its stockholders. Many of them . . . 22,000, in fact . . . own only a few shares apiece; 25 or less.

Recently, we asked several thousand of these owners of ours to help us answer some questions about who they are, what they do and why they chose to invest whatever extra money they had in Republic stock.

We wish you could see all the answers. They would show you that the owners of Republic are, for the most part, average, everyday citizens. They would show you, too, that a lot of these people bought their stock out of savings.

Another thing that these answers show is the pride of these people in helping to make a company like Republic possible. They know that it is their money and the money of thousands of others like them that has helped to create American industry, to make millions of well-paying jobs and to enable Americans to live better than most of the nobility in other lands.

These are the kind of people who own Republic. We think that they are mighty fine people and we believe you will agree that they deserve from Republic a fair return for the use of their savings.

REPUBLIC STEEL

A GOOD PLACE TO WORK—
A GOOD PLACE TO STAY

Here is what some Republic Stockholders Say

"On account of working for Republic, I am interested in the company in more than one way. Republic's good or bad future is my future."

—A Rigger in Republic's Chicago Plant

"I am a window washer, married and have two children. Whenever I save a little money, I buy stock as an investment. Investing in stock helps investors, industries, workers and their families."

—A Chicago (Ill.) Window Washer

"My husband suggested that I buy Republic Steel, saying steel will always be in demand as long as our country stands."

—A Wheeling (W. Va.) Housekeeper

"I believe in capitalism as being the most stimulating system of business and industry."

—A Retired Pittsburgh (Pa.) School Teacher

"It makes the investor feel that he is participating in the development of American industry."

—A Long Island Sheet Metal Worker

"The investment of funds is part of our free enterprise system and a cooperative form of furnishing capital for the operation of business."

—An Illinois Controller

"I have faith in American industry as conducted by honest, capable men of the kind that have built our country up to its pre-eminence over all countries in the world."

—A Florida Widow

"I believe in free enterprise and want to have what interest in it I can, however small."

—A Virginia Housewife

The Booster Club was organized in 1934 by the late Karl Young, when a member of the Board of Education, for the purpose of assisting with the promotion of football at W. H. S.

Proceeds from football as well as proceeds from all school activities are placed in a general fund out of which extra-curricular activities are financed.

Financing the activities is not all, your paid admissions also are used to maintain and improve the Stadium facilities.

All of this is possible only because of football, since your Board of Education is *Prohibited by Law* to spend tax-payers' money for extra-curricular sports program equipment.
